

## NEWS ALERT!

### Deadline Reminder

#### Record your odometer readings today!

In order to claim your deduction, the first step is to record your vehicle's odometer reading on **1 MARCH** each year (the first day of the tax year for individuals) and again on the **LAST DAY OF FEBRUARY** the next year (the last day of the tax year for individuals).

These opening and closing readings give you your total kilometres travelled for the year. Recording your mileage will help you make an accurate claim when submitting your tax return.

**TIP: SMS your own car's kilometre reading as on 28 February 2011 to your own cell phone for safekeeping.**
